

## ICUAS'18 LEGAL AND POLICY TRACK

### SUMMARY & CLE AGENDA - WEDNESDAY, JUNE 13, 2018

Join us in Dallas to hear from the **FAA Chief Counsel**, the **World Economic Forum** drones expert, and distinguished faculty during a CLE program on current developments in **regulatory, policy, and legal issues** related to **drones**.

ICUAS'18 marks the inaugural launch of this one-day only CLE program intended for **attorneys, policy makers, and industry stakeholders** that will run on June 13, 2018 in parallel with the multi-day ICUAS'18 Technical Program (June 13-15, 2018).

The conference anticipates **7.0** (60-minute credit hour) or **8.5** (50-minute credit hour) **CLE Credit Hours** (General In-Person) from Texas and Oklahoma. Registered attendees will receive a Uniform Certificate of Attendance and program materials with which to seek CLE credit in other jurisdictions.

Distinguished faculty will discuss domestic and international drone issues, including:

- Emerging regulatory, policy, and legal issues related to of UAS/RPAS technologies
- Intellectual Property/Patent issues related to UAS/RPAS design and development
- Views from in-house counsel and disaster relief professionals
- Restrictions and issues related to international trade and export controls
- Public and military drone use as an commercial industry model

### Registration Information – Legal and Policy Track Only

CLE program attendees may register for the CLE Legal Track only, or for the multi-day conference. The Registration Fee for the one-day **CLE Legal Track** is **\$300.00**. **Registration opens April 15, 2018**. All participants must register online through <https://controls.papercept.net>. Follow instructions, Log In and register – registrants are not required to upload a paper but must create a personal profile, PIN number and password before registration. Please contact Dr. Kimon P. Valavanis, [kimon.valavanis@du.edu](mailto:kimon.valavanis@du.edu) or [kvalavanis@gmail.com](mailto:kvalavanis@gmail.com) should you have questions.
